## RK-325I

### REMOTE INDICATION ASSEMBLY

Manuals and additional information available at [www.startco.ca](http://www.startco.ca)

The RK-325I is a Remote Indication Assembly for the SE-325 Neutral-Grounding-Resistor Monitor. Indication LED's and terminal blocks are internally connected as shown below.

Terminal markings on the RK-325I correspond to terminal markings on the SE-325. See SE-325 manual. Mounting screws, locknuts, and drilling template are supplied with the RK-325I.
